Eagles women's basketball would personally like to extend an invitation to you to attend our 2010 summer basketball camp.

The focus of our camp will be to develop the fundamentals of basketball in areas of shooting, dribbling, passing, and defensive skills. NNMCC is associated with the NAIA and proud member of its *Champions of Character* program. In conjunction with this program, there will also be a daily emphasis on attitude and character development. This three day camp will be packed with individual skill development and fun competitions to provide each camper to gain valuable experience on the basketball court.

Our coaching staff is looking forward to both camps this summer! Give yourself a chance to enjoy basketball the Lady Eagle way by attending this summer's Lady Eagle Basketball Camp.

If you should have any questions, please contact Head Women's Basketball Coach, Christina Jost at 505-747-2286 or cjost@nnmc.edu.
